Air Awa Shiso Sparkling 11/55

Awa Shiso is a refined sparkling drink with delicate bubbles and a gastronomic character. It is made with homegrown red Japanese Shiso, unrefined cane sugar from Kikaijima, and carefully selected grapes that create a unique balance of sweetness, acidity, and umami. The result is a harmonious and elegant blend produced directly from field to distillery.

Alter Cuvée Sparkling Geranium 8/40

Cuvée Geranium is an alcohol-free sparkling aperitif with the depth of ALTER, blending citronella geranium, French oak, and rosemary with a fruity base. Self-grown botanicals are distilled without alcohol to preserve aromas, and mixed with white stone fruit and unripe grapes, then lightly carbonated for a wine-like structure. It's a carefully designed alternative, not an alcohol-free wine, with multiple dimensions and a refreshing finish.

Alter Cuvée Blanc Cedro 8/40

Cedro is an alcohol-free cuvée from ALTER, perfect for wine and aperitif moments. The citrus-driven aroma, with lemon and grapefruit cooled by lemon verbena, comes from homegrown and distilled herbs. These botanical distillates are blended with white grapes and organic white fruits (apple, pear) for depth and natural balance, without dealcoholisation, but with a pure finish.

Alter Cuvée Rouge Casca 8/40

Casca is an alcohol-free alternative to a red cuvée, with the powerful taste of a modern cru. It combines Colombian cascara distillate, red grape must, and verjuice with cocoa husks, high-quality decaffeinated coffee, and toasted French oak to create depth of aromas. This results in a clear fruit aroma, body, and an oaky mouthfeel, with subtle notes of chocolate, smoke, and spices.

Sake

IWA 5 (8cl/72cl) 25/250

IWA 5 is a new Japanese sake from former Chef de Cave at Dom Pérignon, Richard Geoffroy. The result of Richard's deep respect for traditional Japanese sake and his affinity for innovation, IWA 5 embraces the distinctive qualities of traditional sake while expanding its character. Invoking the motif of '5' – the universal number of balance and harmony – IWA 5 showcases Geoffroy's masterful blending, orchestrating three different rice varieties and five classes of yeast to create unparalleled synergy and character.

Fukunishiki (8cl/72cl) 10/60

This sake is brewed with the most reputed rice variety: Yamada Nishiki. Sake with this rice is soft, creamy, and accessible. An ideal sake to start with, but also versatile in countless elegant dishes.

Opus 16 Junmai Ginjo (8cl/72cl) 10/60

Opus 16 is brewed with Ginfubuki rice, polished to 60%, and offers an elegant, fruity profile. Thanks to its accessible balance and refined aromas, this sake is particularly suitable for guests who have never tasted sake before, and it is a surprising discovery for wine lovers who are open to new flavors.

Sui Umeshi (8cl/72cl) 11/64

Sake with ume (Japanese plums). The ume are macerated in sake for six months to give it softness. In addition, twice as much ume is used as in industrial sake, which ensures a pure but intense taste, with sour-sweet flavours.

Azuma Rikishi (8cl/72) 10/60

The Japanese limoncello. The typical yuzu citrus fruit is characterized by a fantastic fresh aroma and a little bit of bitterness. This sake is sweetened with honey from own production, instead of the cane sugar used by most producers, and this provides a beautiful drinking experience. Fresh but light, everything you expect from an ideal digestif.
