Sake

Fukunishiki (8cl) 10
This sake is brewed with the most reputed rice variety: Yamada Nishiki. Sake with this rice is soft, creamy, and accessible. An ideal sake to start with, but also versatile in countless elegant dishes.

Opus 16 Junmai Ginjo (8cl) 10
Opus 16 is brewed with Ginfubuki rice, polished to 60%, and offers an elegant, fruity profile. Thanks to its accessible balance and refined aromas, this sake is particularly suitable for guests who have never tasted sake before, and it is a surprising discovery for wine lovers who are open to new flavors.

Sui Umeshi (8cl) 11
Sake with ume (Japanese plums). The ume are macerated in sake for six months to give it softness. In addition, twice as much ume is used as in industrial sake, which ensures a pure but intense taste, with sour-sweet flavours.

Azuma Rikishi (8cl) 10
The Japanese limoncello. The typical yuzu citrus fruit is characterized by a fantastic fresh aroma and a little bit of bitterness. This sake is sweetened with honey from own production, instead of the cane sugar used by most producers, and this provides a beautiful drinking experience. Fresh but light, everything you expect from an ideal digestif.
